

# Fence Service Plans

When you invest in a fence for your backyard, you want it to last and look good doing it. Butler Contracting Fence and Gate Service Plans allow for preventative maintenance upkeep throughout the year to help protect and prolong the life of your fence and gates.

With Fence and Gate Service Plans, Butler Contracting will come at scheduled intervals throughout the year to:

- Assess any potential problems before they become major problems
- Tighten and adjust hardware and loose pickets
- Ensure a longer lifespan for your fence and gate system

**Bundle our home, roof, fence, and gate service plans for 10% annual savings.**

## **Annual Wood Fence Service Plan \$1,200**

- Replace up to 10 pickets
- 10% off stain and sealing contracts

## **Annual Metal Fence Service Plan \$1,200**

- Apply up to 1 can of touch up paint as needed

### **Both Wood and Metal Fence Service Plans Include:**

- Annual fence inspection
- Adjust, lube, and tighten manual gates (excludes cantilevered and power gates)\*
- Clean up to 200 linear feet of fence
- Replace up to 2 fence posts annually as needed (additional post replacement requires an additional charge)
- Inspect all hardware; tighten and secure as needed

*\*See gate service plan for options*
