

Roof Service Plan

Protect yourself from costly and unexpected roofing repairs with a Roof Service Plan from Butler Contracting. It can be difficult to see all parts of your roof without climbing up there regularly. Catching small issues before they become large can save you money on costly repairs over time. Butler Contracting will perform an annual roof tune-up and up to two post-storm roof inspections.

Protecting your roof is easy:

- Sign up for a Roof Service Plan
- Let us perform regular inspections
- Enjoy peace of mind that we've got an eye on your roof

Bundle our home, roof, fence, and gate service plans for 10% annual savings.

Annual Roof Service Plan \$550

- Roof inspection
- Seal exposed nail heads
- Inspect roof ventilation
- Inspect pipe jacks and vents
- Up to two post-storm roof inspections

All services performed by a GAF Certified Roofing Contractor
