**\*\*Warranties may be void in the event of acts of God or weather events including but not limited to wind, hail, water damage, flooding, or fire. The warranty may be void If the deterioration of the fence is from a lack of landscaping maintenance including but not limited to a result of piled up leaves, grass, pine needles, shrubs, bushes trees, or tabic acid. Any attempt to repair or replace parts or components of the fence without the expressed written consent of Butler Contracting to ensure the structural integrity of the warranted fence system voids the warranty. The terms of the lifetime warranty will follow the manufacturer product warranties and guidelines. The wooden privacy fence will be warranted for a period of 15 years and the ornamental iron fence will be warranted for a period of 20 years assuming all appropriate warranty registration documentation is completed and all terms and conditions are adhered to.**
